SENATOR SAVAGE: Any other discussion? Hearing none, the question is the advancement of LB 672. All those in favor vote aye, opposed vote nay. Senator Savage voting aye.

SENATOR SAVAGE: Record.

CLERK: 26 ayes 4 nays on the motion to advance, Mr. President.

SENATOR SAVAGE: LB 672 advances. Mr. Speaker. Senator Warner.

SENATOR WARNER: I have a motion I think I filed that I was going to take up in the morning to return LB 574 to Select File for a specific amendment. Have you still got it? This is Senator Maresh's bill. You will recall, 574, I believe Senator Simon is also on it. What this amendment does, several of us I think, and is joined in with me by Senator Goodrich, several of us I am sure had contacts last Fall from the citizens who had gone in to purchase a new driver's license for which they paid the fee that was also supposed to be the fee when you would get a colored photograph driver's license. What this amendment would do would permit persons who, and this is reading it, "Persons who obtained a driver's license between September 2, 1977," which was the effective date of the act, "and January 2, 1978, shall receive at no charge a color photo driver's license upon presentation of the non-photo driver's license to the county treasurer's office". The reason for offering it, of course, is these citizens actually already paid the fee that was required in order to require a colored photograph and it seems unreasonable that they would not be able to attain what they had purchased. I understand the signal. So I move the bill be returned to Select File for the specific amendment.

SENATOR SAVAGE: If there is no further discussion, the question is the return of LB 574 for specific amendment. All those in favor vote aye, opposed vote nay. It takes 25 votes. Please vote. Senator Savage voting aye.

CLERK: Senator Savage voting aye.
